

Coral Accelerator Program 2023

Full Proposal Submission Assistance Document

Version 1.2

Effective Date: December 2023

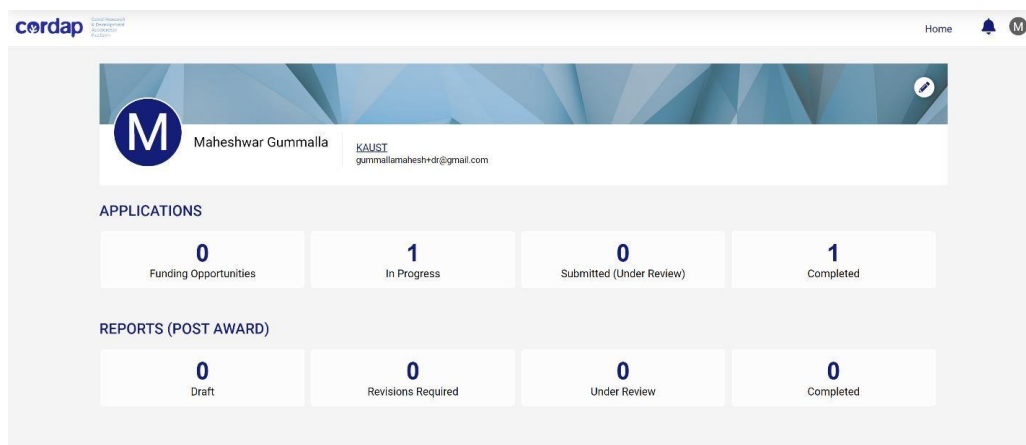

1. Overview

CORDAP uses an online application submission system, *myCORDAP* for all submissions.

myCORDAP is accessed through the internet; no additional software needs to be installed. You can access the system online from any location. The configuration of some browsers and internet infrastructure (popup blockers, firewalls, etc.) may restrict an individual's access to the internet and as a result to the *myCORDAP* system. If you are having any such difficulties, please contact your organization's internal IT support team.

2. Applicant Dashboard (Homepage)

Login to [myCORDAP](#) and login using the previously created credentials. Use the Forgot Password option on the home page to reset your password if you are unable to login to your account. The Full Proposal application will be available in the tab '**In Progress**'. Click on this Tab.

Click on **Open** to view the Full Proposal form.

The **'Invitation'** is a feature that allows the Lead Applicant to invite and give Co-Applicants access to their Full Proposal draft submission system to edit and complete sections but they do not have the ability to 'Submit' the proposal. Only the Primary contact has access to the **"Submit Application"** button.

The invited user will receive an invitation to Accept/Decline. If they do not have an account in the system, they will be redirected to the registration page to register and create an account. After they successfully complete the registration process by accessing the link received on their email, they will be able to see the application they are invited to under their "In Progress" tab on their Dashboard.

The screenshot shows the CORDAP web application interface. The top navigation bar includes the CORDAP logo, a 'Home' link, a notification bell, and a user profile icon. A 'Logs' dropdown menu is visible. The left sidebar contains a 'Main' menu with an 'Invitations' link highlighted by a red box. The main content area is titled '2022-Coral Accelerator Program_1133'. It contains instructions: 'Enter the details of the Collaborators/Co-PI/Co-I/Partner you wish to invite to this application below. You can invite as many Collaborators/Co-PI/Co-I/Partner as you wish.' and 'When you are ready, click on Invite to send the invitations out.' Below the instructions is a table with columns: Title, First Name, Last Name, Email, Role, and Status. A blue '+' button is located below the table. At the bottom of the form are 'Save' and 'Invite' buttons.

Authorized Signatory

An Authorized Institutional Signatory (AIR) is an individual within an organization with the authority to sign contracts for, and make commitments on behalf of, that organization.

Statement of Intent

At the time of submitting a Full Proposal, each participating institution will be required to complete and submit a 'Statement of Intent to Collaborate' in which they acknowledge and agree to abide by CORDAP's Award Terms and Conditions. Please fill in the form with the instructions provided and upload it all Sol's as a single PDF.

Reviewers

The Full Proposal will go through an external independent expert review evaluation process. You can add up to three suggested reviewers who have relevant expertise in the proposed research to review your application. It will be the discretion of the office whether to approach these individuals or not.

You can also add names of restricted reviewers whom you wish we should not contact for the review of your proposal. The Office will not approach these individuals.
